

# COMPANY WARMUPS 2017

Costuming is an important part of participation in a professional performance company, and as listed in the company requirements on our website, costume fees apply to all company members. We like to costume our company in fun, fashionable, warmups that can be worn to class and out on the town. These warmups will be worn for community shows, studio performances, and on tour. Depending on your involvement in each show, you may also be asked to pay rental fees for costume items rented from The Center and/or to bring some costume items from home. We are budget conscious. Our goal at The Center is to provide you with a quality, professional experience without breaking the bank.

## **New Company Members:**

Your account will be charged for all required items and The Center will provide you with warmups based on your measurements. If you would like to purchase any additional or optional items or have a say in the personalization of your warmups you may do so by filling out and returning this order form by **December 15<sup>th</sup>**. The order form can also be submitted via email to [TheCenterHalee@gmail.com](mailto:TheCenterHalee@gmail.com).

## **Returning Company Members:**

This year we are getting new warm-ups. The only repeat item is the company leggings, but this year there are a few more color options (available on a first-come first-served basis). The Center assumes all returning females already have turquoise leggings. Your account will be charged for all additional items based on your measurements. If you would like to purchase any additional or optional items or have a say in the personalization of your warmups you may do so by filling out and returning this order form by **December 15<sup>th</sup>**.

The order form can also be submitted via email to [TheCenterHalee@gmail.com](mailto:TheCenterHalee@gmail.com).

**Payment for company warmups will be collected during our January auto-pay.**
